Re: e-NGAs Codes for Textbooks, Teachers Manual and Supplementary Materials

Please be advised that a new format of e-NGAS codes for *textbooks* have been devised to simplify its use and easier to utilize in the preparation of consolidated inventory reports as required by the Central Office-Property Division.

The new codes for textbooks had been divided into Elementary and Secondary by subject area. It also includes codes for TEEP procured materials as well as MADRASAH Textbooks.

These codes are now available for downloads at DepED Websites ([www.deped.gov.ph](http://www.deped.gov.ph)). Just click on “downloads” options to view various codes of e-NGAs.

For inquiries, you may call the DepEd Central Office - Property Division at telephone nos. 633-72-17, 635-05-51, 636-36-02 and look for Mr. Albert Alano or Ms. Marifin David

Rest assured that we are doing these modifications for better implementation and easier consolidation of data.

**TEODOSIO C. SANGIL, JR.**
